

VERIFICA

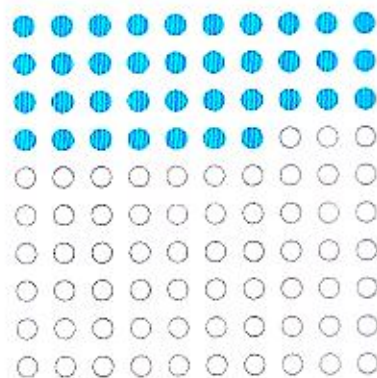

* Colora ogni volta con tinte diverse le palline che occorrono per arrivare a **100**. Poi scrivi i numeri mancanti.

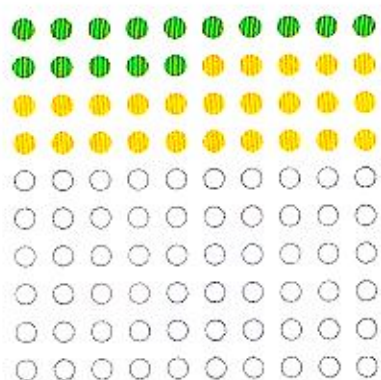

$$45 + \dots = 100$$

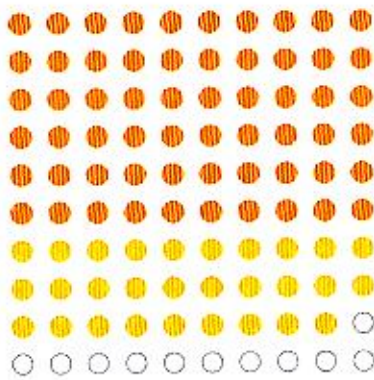

$$25 + \dots = 100$$

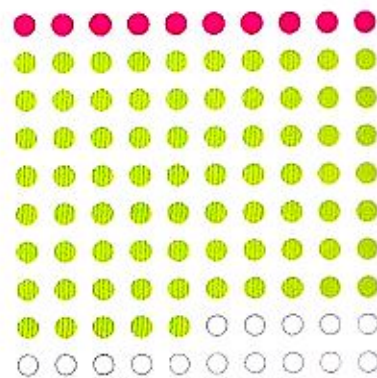

$$37 + \dots = 100$$

$$15 + 25 + \dots = 100$$

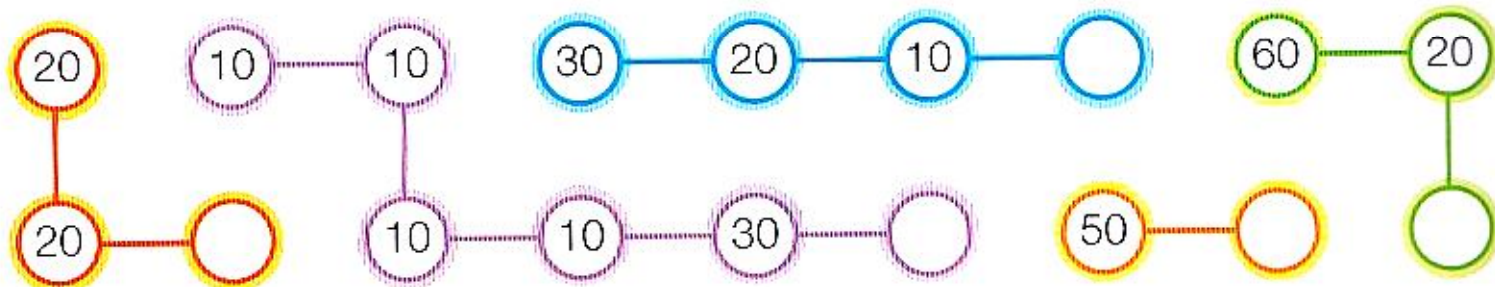

$$60 + 29 + \dots = 100$$

$$10 + 75 + \dots = 100$$

* I numeri di ogni percorso colorato formano il **100**. Segui i percorsi e completa con le **decine** mancanti.
